

## Interview Milan Rakić, SER

The last game of the day between Serbia (University of Novi Sad) and Netherlands (Eindhoven Technical University) started off slow. There were no goals for quite sometime than the game started and the Serbian team took the lead. At the end they won 6:1 and got 3 points.

After the match the Serbian captain Milan Rakić, thoughts of the game and Slovenia were:

»I think it was good, we played better and we deserved to win. We feel good in Slovenia, we like it so much because we do not have sea at home and so we are enjoying it. And also the weather here is nice.«

## Interview: Dario Anzidei, ITA

Despite our morning sleepiness we all woke up for the first game in Škofije. We witnessed the match between the Spanish (Catholic University San Antonio Murcia) and Italian (Roma Tor Vergata) temperament.

In the first half we were all shocked because of the red card in the 8th minute, to the Spanish goalie. The red card, some yellow card, mostly on the Italian side, and some bad luck of the Spanish team, did not effect the game which was quite tide. The final score after half-time was 2:3 for the Italians and they kept the lead until the end, when the score was 4:5.

After the match the Italian captain Dario Anzidei, thoughts of the game and Slovenia were:

»The game was good. I have to commend the Spanish team, they played really good. I think that the dismissal of their goalie affected their game.

We arrived here yesterday in the evening, so we did not have much time to do anything. Now we have free time and we're going to the beach.«

## Selected Reports

### Finland-Poland

In the first half of the game both teams were trying to achieve a goal, but they were not successful. The other half was more interesting. Poland was more aggressive and they gave the first goal. When the game was almost over, the Finland was leading 3:2, Poland gave the final goal and the match was a tie.

### Portugal-Ukraine

Before the game started, the Portuguese were tired because they came directly to the hall. Ukraine was well prepared. They played good, a little rough (they got 4 yellow cards) and they won 2:1. Ukraine gave goal in each half, Portuguese only in second half when they scored penalty.
