TECHNICAL REGULATION

4.) Seeding/Draw:

- the seeding for the first round of the tournament will be done according to the following rules:
 - o pool A: University of the hosting city (in case of absence, the Champion of the hosting country), the last European Futsal champion and first runner-up, the first ranked university or country on EUSA ranking list;
 - o pools B - D: according to the EUSA-ranking-list (results of the previous EUCs);
 - o the other teams will be assigned to the pools by a draw;
 - o if more than one team per NUSA is nominated, only the highest ranked will be considered for seeding. Teams from the same country shall wherever possible be placed in different pools (directed draw).
